Think back to last summer... Remember all the fond memories you had of sticking your face in a pool of spaghetti searching for that precious meatball, launching water balloons across the field using a gigantic slingshot, or wrestling against one of your fellow comrades over the treasured watermelon?

Well this summer is going to be even better than last! The games are going to be bigger, better, and even

more messy than before! Didn't think it was possible? We didn't either!

We will be brining back some of your favorite themed nights from last year, such as hillbilly night and popsicles and obstacles. However, we will also be adding some new themes full of all new games, such as baby night and groovy movie night.

We will begin all this pandemonium of craziness on June 6th with our retro

video game night kickoff!

NOTE—
Spincycle services start at 5:30 PM! You are going to want to be here every week for

all the outrageous activities! Like last year, we will still have the competition every night where you can earn points for things like brining your friends with you, dressing in a costume, or brining your bible. Hope to see you guys there for these wild nights of merriment.

Congrats Grads!

Congratulations to our Flipside class of 2010:

- Samuel Autenrieth—AHS
(Autenrieth Home School)

Two trips you don't want to miss!

KC Mission Trip:
August 4-7, 2010
\$150 per person

While last summer we had a great time in Port Arthur, this summer we will be traveling to Kansas City.

Once there, we will spend two days working with the Kansas City Urban Youth Center doing any projects that they may need as well as hanging out with some kids! It will be an eye-opening experience. However, like last year we will also spend a day at the Schlitterbahn water park enjoying all the activities they have to offer.

Registration & Payment Due by July 25

Canoe Trip:
July 11-13, 2010
\$80 per person

Like last year, we will once again enjoy the great outdoors camping at Harvey's Circle B campgrounds in Eminence, MO. On Monday and Tuesday we will enjoy swimming and canoeing on the Current and Jack's Fork rivers as well as evening worship services at night. It will be a great time of food, fun, and fellowship! You don't want to miss this! Be sure to turn your registration in on time...

Adopt-A-Block Program

The major emphasis this summer will be our Adopt-A-Block program. We will be working every week in the Blackjack neighborhood of Collinsville in some way shape or form. The schedule for this ministry will be posted in June following our May 29 introductory canvassing project. Meet at the church at 9:30 AM on May 29 and plan on working until around 1:00 PM for the kick-off to this great program!
